

COMPACT FLORESCENT LIGHT BULB GIVEAWAY

As a part of the [Girl Scout Forever Green](#) 100 Years Take Action Project, Girl Scouts throughout GSCFP will help facilitate a Compact Florescent Light Bulb (CFL) Giveaway. Troops can apply to receive FREE CFLs to give away to the public. Girls and troops participating in the CFL Giveaway will each set up a community program (such as at a cookie booth or a school wide project) to give away CFLs to help promote reducing energy use. The CFL giveaway will take place from late January through March. CFL giveaway programs must be open to the public and not limited to within a troop. CFLs will be distributed to applicants based on the program plan, the date the application is submitted, and the availability of CFLs.

Project Participants must:

- Register the project with Girl Scouts Forever Green www.girlscouts.org/geforevergreen
- Provide at least three (3) labeled photos of the giveaway to GSCFP with signed photo releases for each girl. Photos must be emailed to vadams@gscfp.org no later than 4/1/12.
- Troops that **fully comply** with these guidelines are eligible to receive a grocery gift card for an ice cream party!
