

POWER TEAM

The Power Team is a great opportunity for girls in grades 6 – 12 to work as a team, develop communication skills, and volunteer with the Girl Scouts Forever Green Projects. The Power Team will help promote Earth Hour, the distribution of energy efficient light bulbs, and the Earth Day Capstone event.

Members of the Power Team will receive a free Girl Scouts Forever Green Community Action Project Patch, will be on the top of the list for receiving Compact Florescent Light Bulbs (energy efficient light bulbs) for distribution, and will be recognized at the Earth Hour Capstone event in March. **Members will also represent the council in TV, radio, and other public campaigns to increase public awareness of the project**

Members of the Power Team must be in grades 6-12, must have access to a phone or email address, and must be able to commit about 2-3 hours per month.

Name: _____

I ___am / ___am not a registered Girl Scout (if yes, Troop #:_____)

Address: _____

Phone:_____ Email:_____

Why do you wish to be a member of the Power Team?

What experience do you have with environmental projects?
