Courage, Confidence, Character

Year Round Troop Application

- *For all Girl Scout Council of the Florida Panhandle registered troops*
- *Purpose is to keep girls together and involved in Girl Scouting; to insure placement of fly-ups; and to encourage parents to get involved*.

Requirements

Your troop must meet once a month during the months of June, July, and August. The activity you choose can be anything as long as it includes the currently registered girls and your sister troop fly-ups or bridgers. Some activity suggestions are a camping trip, slumber party, picnic, pool or beach party, field trip, or service project. The adults in charge can be the leader, assistant leader, or an interested parent who is registered with the troop. We know not every girl will be able to attend all three activities, but she **MUST** attend **TWO** out of **THREE** in order to receive the patch.

When you are ready to pick-up your patches, please fill in the information below and **list on the reverse side of this form the names of the girls and adults who participated in this program.**
